Thank you for your support!

It's a wrap! Singapore Airshow 2020 was a huge success, concluding on an optimistic note with more than two-thirds of its key exhibitors committing to participate in the next edition!

Over 930 participating companies from more than 45 countries and regions, and close to 30,000 trade attendees from more than 110 countries convened at Singapore Airshow 2020 to establish networks and connect business opportunities around the world.

A huge thank you to our exhibitors, partners, visitors and suppliers for another great edition of the show, despite global concerns surrounding Covid-19.

Singapore Airshow will be back in 2022, from **15-20 February** so stay tuned for updates in time to come. See you in 2022!
